Work On Olympic Facilities Hinges On Assembly Vote

Bids Will Be Opened June 13, Providing Action Is Favorable

Eighteen major contractors and 53 different subcontractors have applied for plans for the first major construction project for the 1960 Winter Olympic facilities at Squaw Valley.

More than $3,000,000 will be expended this summer providing the legislature takes favorable action on a bill now pending and which should be decided early next week.

Bids for the work will be opened by the California Olympic Commission in San Francisco at the office of the engineers, Corlett and Spackman; Kitchen and Hunt, 347 Clay street, Thursday, June 13, H. D. Thoreau, executive secretary of the commission, revealed.

First Phase

Phase 1 of the construction program will include grading and storm drainage, water system, sanitary system, bob-sled run and service building, 80 and 60-meter ski jumps, Olympic arena piling, athletes' housing, I.O.C. housing and administration building, two spectator centers, maintenance building and two automobile bridges.

Second Phase

The second phase of the project is expected to be ready for bids by August 7 and will include the Olympic arena and rinks, athletes' center, reception center and press building.

Miscellaneous

Under current plans, miscellaneous items such as public toilets, timers and warming huts, ski jump towers, press towers, fencing, foot bridges, walks and various items of decoration and pageanty will be constructed in May, next year.

Work is scheduled to start on actual construction before July 1.

Surveyors under the direction of Charles Greenwood of Sacramento are currently completing an engineering project to provide required information for the ski facilities to give prospective bidders necessary data.

Bill To Assembly

Senate Bill 1774, which would grant $2,990,000 additional to the state to make the facilities permanent and give the state the power of eminent domain over approximately 200 acres of land required from private owners, has passed the assembly committee on conservation, planning and public works and is now going before the important assembly ways and means committee for a decision Monday evening.

The senate passed the bill 30 to 3 last week. As soon as it clears the ways and means committee, it will go onto the floor of the lower house for final action. Gov. Goodwin J. Knight is expected to sign the bill almost immediately to prevent further delay.

Plans Available

Contractors or subcontractors wishing copies of the plans and specifications may obtain them by making the required returnable deposit with Corlett and Spachman; Kitchen and Hunt.

FIRE DESTROYS OLD TRUCKEE LANDMARK

A flash fire, apparently starting in a rear room, demolished the old John Cabona house on the south side of the highway just west of Truckee about 6:30 p. m. last night. The house had been occupied by the Bernard Barrett family but no one was in the place when the fire was discovered by passing motorists. The fire department was called but the fire had gained too much headway and only the frame was left standing. Traffic over U. S. 40 was delayed during the fire.

CARDINALS LEAVING FOR NORTH HOME

Shortly after the close of school Mrs. Heslin Cardinal plans to join her husband whose promotion to foreman for the division of highways became effective recently and he was transferred to Blue Lake near Eureka. Both are long time residents of Truckee and will be missed by their many friends. Mrs. Cardinal is presently employed in the post office where she has worked for many years. Both Mr. and Mrs. Cardinal attended the local schools and spent most of their lives here.

POT LUCK DINNER AT MEET OF O. E. S.

There will be a potluck dinner preceding the stated meeting of the Order of Eastern Star on Tuesday. The affair is being planned by Mrs. Nell Barkhurst of Kings Beach.

After a short business meeting pictures will be shown of the International Temple of the Eastern Star in Washington, D.C. and slides of the Eastern Star home at Beverly Hills. Elmay and Wayne Philippi will preside and all members are asked to attend.

Baccalaureate Will Be Held Sunday For Local Grads

Thirty-seven graduating seniors will attend baccalaureate services at the high school gymnasium Sunday, June 2 at 8 p.m. The baccalaureate address will be presented by Rev. Patrick J. O'Neill.

This traditional ceremony will be enriched by music of the high school senior chorus and the senior band. Mr. James Pringle will direct these groups.

The parents and friends of seniors are invited to attend this event which marks in solemn spirit the importance of having completed high school and its challenge.

The seniors to be honored are Jacquie Abbott, Ernestine Alameda, Anita Antillion, Bob Armstrong, David Ashton, Wesley Ball, Marilyn Brown, Jerry Browne, Rosalee Christensen, Jude' Commagere, Doug Cooke, Cecil Craddock, Karen Decker, David Eaton, Scott Gilmore, Frank Giovannoni, Gary Gunkel (U.S.M.C.), Roger Holbert, Dean Herzog, Bob Heuga, Rosalie Kaspian, Kiersten Kiser, Kenneth Lavery, Linda Loynd, Janice Mandeville, John Nickelson, Judy O'Neill, Joanne Palmer, Mayton Record, David Rickert, Sonja Schmidt, Tom Sheehan, Nelda Stone, Carol Street, Robert Trask, Douglas Wilson, Nikki Wing, and Harry Woodward.

Two Jailed After Car Wrecks Here

Two auto accidents during the past week resulted in two people going to the Tahoe Forest Hospital for treatment and two drivers being charged with drunk driving.

Charles Edward Daundiver, 43, Yuba City, posted $263 bail after his car and one driven by Hans J. Mathues, Fresno, collided on Donner grade Saturday afternoon. No one was injured. Patrolman Duke Worsham investigated and cited Daundiver for being intoxicated.

William Carelton Cassidy of Modesto was sentenced to serve 150 days in jail or pay a $300 fine after his car and one operated by Lyman W. Halbert, Emigrant Gap, were involved in a collision east of here which sent both drivers to the hospital. Patrolman William Gautsche cited Cassidy for drunk driving and he appeared before Judge F. W. Wilson.

RAINBOW MOTHERS CLUB IS ORGANIZED

The Rainbow Mothers Club was organized recently with Mrs. Glenn Coffey selected as chairman, Mrs. Eva Hallett, vice chairman, Mrs. John Corbin, secretary and Mrs. H. B. Worsham, treasurer.

The group, all mothers of members of the Rainbow Girls, will meet the fourth Monday of each month, this being one of the dates for the meeting of the Rainbow Girls at Masonic Hall.

Potential members are invited to attend the meetings which are held at 8 p.m.

STAR ATHLETE HAS NEW STATE RECORD

Tom Sheehan, star athlete at the Tahoe-Truckee High School was no doubt disappointed when he read last week's Sierra Sun and found he had thrown the discuss only "43 feet, and one-fourth inch," to set a new Nevada State record.

As a matter of fact, Tom pitched the discus 100 feet further than the story indicated, the error being placed squarely upon the linotype machine, which declined to drop the figure "1" ahead of the 43.

143 feet was a fine mark and Sheehan is deserving of this correction.

Tiffanys Back at Lake For Their 50th Season

TAHOE CITY—Mr. and Mrs. W. R. Tiffany of Stockton are again at Homewood for the fishing season, marking the 50th year of Tiffany's residence at the lake.

Tiffany first came to Lake Tahoe on May 15 in 1907, starting work as engineer on the boat "Wild Goose" whose captain was Frank Holt. Another member of the worthy vessel's personnel was Ernest Pomin, pioneer of Tahoe City.

Evidence of Tiffany's fishing prowess were enjoyed in a gift of two large trout to the Sierra Sun.

Gold Cup Races In Hands Of Group Formed At Tahoe

Obexer Heads New Group To Plan Races For July 20 - 21

by NAOMI McLANE

SUNNYSIDE — A new group, composed largely of boat organization owners, has been formed and incorported for the purpose of sponsoring the mile high Gold Cup races. This group, the Lake Tahoe Gold Cup Association, is being incorporated under the names of Herb Obexer, president; Fred Main, vice president, and J. D. Anderson, secretary-treasurer.

After four years of sponsoring the Gold Cup races the Lake Tahoe-Sierra Chamber of Commerce decided to relinquish their direct interest to any organization that would inncorporate for that purpose. According to the new officers, 20 shares of $100 per share will be offered for sale to anyone connected with the boating business at Lake Tahoe. Another class of non-voting shares may be offered at a later date.

A record field of 14 unlimited hydroplanes is scheduled for the 5th annual mile high race to be staged at Tahoe City, July 20 and 21, according to an announcement made by the newly formed Lake Tahoe Gold Cup Association. This large entry list is due in part to a move by west coast boat owners to establish a racing circuit west of the Rockies which will compare to the eastern circuit centering at Detroit, Mich.

In addition to the Kaiser, Murphy and Waggoner hydros which have raced at Tahoe in the past such well known boats as Joe Shoenith's Gale VI, Willard Rhodes' Thriftaway I and II, William Boeing Jr's Wahoe, and the proud champ of many seasons, Elo Mo Shun V renamed Miss Seattle, are entered.

Tentative plans call for qualifying runs Friday, July 19, at which time any boat which has not previously qualified this racing season can chalk up its entry speed.

Osman Will Leave Local Assignment

Rev. Wesley Osman, pastor of the Truckee Community Methodist Church and his family will probably not be returned to Truckee next year.

This was learned following the annual spring business meeting of the church at which Rev. Douglas Ewan, district superintendent of the Sacramento-Nevada District, president, said:

"It is very common practice and advisable that a man serve his first pastorate immediately after graduation from seminary about two or three years." Rev. Osman has been pastor here for the past three years.

Since Bishop Donald H. Tibbett makes the appointments each year, it will not be known definitely until after the annual conference during the week of June 11 to 16.

CHANGES MADE IN DEPARTMENT STAFF

Chief N. F. Dolley of the Truckee Volunteer Fire Department, this week announced that Don Pickard has been appointed engineer of the department to succeed Heslin Cardinal who resigned to make his home in Blue Lake near Eureka. William Campbell was chosen to replace Pickard as a lieutenant in the department.

Water Service Halted As Digger Hits Main

Disruption of the water service from the Truckee Public Utility District's Tonini system was caused Tuesday morning when one of the ditching machines employed by the J. E. Young Pipeline Contractors struck the main in front of Fontana's Laundry. Crews soon had the damage repaired but not before the tank on the hill south of here had been drained.

NEW NOTARY

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced today the issuance of a notary public commission to Eve M. Popovich, of 100 Donner Trail road, Truckee.

SIERRA SUN ADS PAY!

SUNBEAMS

By WALTER M. BARRETT

The time has come when steps should be taken to provide the eastern end of Nevada County with an additional deputy sheriff. There can be no complaint on the work of the local officers. They are doing a remarkably effective job, but it is virtually impossible for any two men to handle the growing problem of law enforcement in this community. This summer promises to see an unprecedented influx of people and already the situation is getting a bit out of hand. We believe that the board of supervisors will support the project, and we are equally confident that the sheriff will lend his utmost support. Two men, working full time, without a day off, cannot patrol the area as it should be, and it is not right to expect even the most energetic officer to devote his entire time to the job. A delay in action is not necessary. Taxes collected from this area, and designed exclusively for law enforcement, would more than take care of the extra deputy and we can see no sensible reason why immediate steps cannot be taken to fill this need.

* * *

There is an acute housing shortage in this community. Scores of new families are seeking living accommodations here and none is available. We don't know the answer, but it is certainly important that someone come up with one quickly if this community is to be benefited from the activities which will surround us during the next few years. The business potential can only beas big as its trading area and unless something is done to develop the latter, the former cannot expand beyond its current point.

Questionnaires Reveal Few Dogs Vaccinated

A survey conducted in this community by questionnaires given to school children, has revealed there are a recognized total of 127 dogs in Nevada County east of Kingvale.

W. E. Dungan, county sanitarian in this area, who made the survey for the purpose of determining how dog owners are responding to the rabies vaccination ruling, said that more than 100 of the canines have not had the preventative treatment.

It is admitted that not all dogs were listed but presumably only those which are family pets.

Rainbow Girls Offer Services As "Slaves"

One of the money making projects the Rainbow Girls have decided on is "Slave Days." These "Slave Days" consist of doing odd jobs such as: car wash, $1; babysit, 50c per hour; raking yards, $75c per hour; mowing and trimming yards, $1 per hour; shopping, 50c per hour; washing windows, 50c per hour; house cleaning, $1 per hour; ironing, $1 per hour; weeding 50c per hour.

The "Slave Days" will be on Saturday, June 1 and Saturday, June 8, from 9 a.m. to 5 p.m. To hire a slave phone Janice Gray, Truckee, LU 7-3289; Pat Stinchfield, Donner Lake, LU 7-3630; Sherry Thatcher, Kings Beach, LI 6-2487; Judy Vaughan, Tahoe City 10-M.

For a job well done, and the time you'll save, hire a Rainbow Girl to be your slave.

LICENSE BOOST GETS SENATE APPROVAL

The senate Friday passed legislation to hike fishing and hunting licenses.

The measure provides for the following license fees:

Five dollars for an all-purpose sport fishing license; four dollars for an all-purpose sport fishing license excluding trout; three dollars for ocean sport fishing license. The bill also calls for one dollar increases in general hunting licenses, deer tags and pheasant tags and a ten dollar hike in commercial fishing licenses.

Mrs. Helen Olander of Oakland is in Tahoe City preparing for a busy summer.

Senate Approves Fund For Bridge At Emerald Bay

Proponents Hopeful Final Action Will Provide New Span

The Capitol News Service at Sacramento informed the Sierra Sun today that a bill calling for a $2 million appropriation toward construction of a bridge across the mouth of Emerald Bay on the west side of Lake Tahoe, has been approved by the senate finance committee.

The measure, SB525 by Senator Swift Berry of Placerville, has already been approved by the upper house trasportation committee.

The finance committee made only one change—taking the money from the state highway fund rather than from the state investment fund.

Efforts have been constant for the past few years by property owners and others affected by the frequent and lengthy closures of the Emerald Bay road to have a bridge constructed. This move has been constantly opposed by conservation groups, including Newton B. Drury, director of the division of beaches and parks, who charge that a bridge would "destroy" the scenic value of the area.

The highway around Lake Tahoe was closed all during last summer because of a huge earth and rock slide and this spring it has been closed once for the same reason.

Proponents of the bill are hopeful that it will receive favorable action by the legislature before adjournment on June 12th.

All Fires In Alley Banned By Order

No fires of any kind, regardless of whether a burning permit has been obtained or not, will be allowed in the alley in the rear of Commercial Row from this date on.

In issuing the warning, Fire Chief N. F. Dolley said that violators will be arrested.

Dolley said that several potentially dangerous fires have started from burning trash in the alley and every step will be taken to prevent future occurances of that kind.

The chief also pointed out that fire permits are now required for all burning either in incinerators, barbecues or other containers or open fires. Permits may be obtained at the Hotel Truckee, Bud's Sporting Goods, Truckee Mercantile, Coffey's Garage or Tonini's Bottle Shop.

While these regulations apply to the Truckee Fire District, similar and even more stringent regulations are in effect throughout the Tahoe National Forest. Details may be found on another page of the Sierra Sun today.

NURSES AIDE COURSE WILL START JUNE 3

A nurses aides' course will be given in Tahoe Forest Hospital on June 3 at 2 o'clock to continue every weekday afternon through next month.

The course will be given under the competent tutelage of John McGlade, hospital administrator, Mrs. Jack de Ryk, Nevada county public health nurse and Dr. Monica Briner, Dr. W. Prescott, Dr. L. D. Nelson and Dr. Ben King.

The instruction is open to hospital aides and women interested in working in the hospital, all persons interested may register on the beginning day of the course.

Supervisors Of State Asked To Aid Olympics

AUBURN— The assistance of the board of supervisors in obtaining support of Senator Harold T. Johnson's bill to appropriate money for the 1960 Olympics was enlisted by the Placer County Chamber of Commerce.

At the request of the chamber, the board directed a letter be sent to all other boards of supervisors in the state, enclosing a brochure on the Olympics and urging support of the appropriation measure in the legislature.

Home From Hospital—

Mrs. William Gautsche is again at home after spending a week in the local hospital as a pneumonia patient.

Fire Department's Emergency Truck Ready For Action

The Truckee Volunteer Fire Department will have its reconditioned and redecorated No. 3 truck in readiness for calls by Saturday.

Fire Chief N. F. Dolley announced that the former "rescue" truck has been converted into an emergency vehicle designed primarily for answering calls outside the fire district. It was financed and reconditioned by the department members with Assistant Chief Glen Coffey doing most of the work. The truck was painted a brilliant red by Coffey and W. M. Englehart, Jr., did the gold leaf lettering.

A 200-gallon water tank has been installed with a powerful pump capable of pouring a sizable stream of water at more than 40-pounds pressure on brush or grass fires. The four-wheel drive vehicle is designed to get into rough terraine and negotiate steep hills.

The two other pieces of equipment are the property of the fire district, but the firemen take pride in their No. 3 truck which is the exclusive property of the department, but stands in readiness for any or all calls.

Harry Oliver Dies At Capital Home

Services for Harry R. Oliver, 81, Sacramento, who died Monday, will be held Friday at 11 in Gormley's followed by interment in East Lawn.

A native of Oregon, he was the son of George and Sarah Oliver, who came to California in 1864 in a covered wagon from Missouri. He moved to Novato in 1892 and Truckee in 1897, where he became a switchman for Southern Pacific Company.

He was named general yardmaster in 1907, serving later in the same capacity in Ashland, Ore., Roseville, Tracy, Sacramento, and again in Truckee. He retired at the age of 65 and moved to Sacramento.

He was past noble grand of Donner Lodge 162, IOOF, in Truckee, where he was a member more than 50 years, and belonged to Rebekah Lodge 130 in Placerville.

He was husband of Bertha, father of Mrs. Lila E. Smith of Placerville, stepfather of Lloyd O. Gotthold of Sacramento, grandfather of Mrs. Barbara Smith of Georgia, and Lyle F. Smith of Minden, and great grandfather of six.

LOCAL STORES MOVE IN BUSINESS CHANGES

A change in Truckee's business center is being made this week as Mr. and Mrs. Eugene Welch prepare to move into their new Welch's Store and Duane Freeman relinquished his location to move into the former Truckee Bakery.

The Welches, who have been operating the Donner Trail Lumber Company at Donner Lake, have announced they will soon open their hardware store in the building now being vacated by Freeman, four doors east of the post office.

No immediate anouncement was made as to the future management of the Donner Trail Lumber Company owned by G. E. Lewis.

The same policies which have identified Welch's and Freeman's Donut Shop will be continued in the new locations.

Joe Miller To Complete Marine Boot Training

SAN DIEGO—Joseph H. Miller, grand son of Mr. and Mrs. Joe Mattos of Truckee, is scheduled to complete recruit training May 24 at the Marine Corps Recruit Depot, San Diego.

The 11-week course includes instruction in all basic military subjects and the firing of all basic infantry weapons.

Upon completion of training new marines are assigned to a unit for further infantry training, or to one of the many marine corps schools.

NOTARY PUBLIC

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced today the issuance of a notary public commission to Elizabeth G. Ball, of P.O. Box 586, Carnelian Bay.

Departing from here the Albert Damon address is now Carson City, Nev.

63 To Graduate At Exercises June 4 For Eighth Grade

Public Invited To Program For Large Class At High School

The eighth grade class of 1957 of the Tahoe Truckee High School will be presented in graduation ceremonies at 8 p. m. on June 4. There are 63 graduates.

The program will take place at the high school gymnasium with Father P. J. O'Neill and Rev. Earl Langguth delivering the invocation and benediction.

The junior band and chorus under the dirction of James Pringle, will present the musical numbers for the evening. The class will be presented by Lynn Kishbaugh of the elementary school and the certificates of graduation will be presented by Reginald Smart, president of the school board. Student speakers for the program will be JoAnn Pomin and Tim Risden. The public is invited to attend.

Members of the graduating class are: Donna Lou Barnes, Linda M. Barnett, Charles R. Bergman, John James Bervid, Ronald Reed Borden, Joan Kathleen Brown, Wanda L. Burchfield, Donna June Berger, Tony Calcagno, Jr., Dorothy Kay Corbin.

Lily Delaney Cushing, Joan Darlene Decker, Curtis Draney, Lynda Varien Alverta Frey, Trent Scott Ellen English, Stephanie Firpo, Giannini, Judith Giovannini, Christine Gruendemann, Carolyn Helgren, Carolyn Suzanne Henry.

James Frederic Heuga, Diane N. Horvath, Ellen Ruth Hubbard, Arthur Charles Hulbert, Johnnie Doyle Hutchins, Barbara A. Kammerer, Harry George Michael Kaspian, Quinton Kay, Allan Clark Kydd, Valerie June Mandeville, Alexander Marin, Elethia Diane Marquis, James Glenn Moore, William Howard Notley, John Olinghouse.

Ruth Elaine Parkhurst, Richard Louis Parr, Carol Elaine Patnoude, Margie Marie Pearson, Barbara Cecile Perry, Marie Plemons, JoAnn Pomin, Randal Gary Pomin, Steven D. Randall, Ellen Marie Rich.

Victor Ray Riggs, Paul Victor Quartly, Cynthia Jo Reynolds, Timothy Eugene Risden, Michael Robinson, John Suter Saarni, Amanda Lee Sanders, James R. Schull, Garfield Merner Sciutto,

Kathleen Sharon Ann Seaquist, Sandra Marie VanSickle, Douglas R. Single, Reg Smart, Jr., Barton Nicholas Stone, William Thornton, Theador Robert Wentzel and Sharon Worsham.

EIGHTH OFFICER IS ADDED TO CHP HERE

The personnel of the Truckee squad of the California Highway patrol was increased to eight this week when Patrolman Ray Carpenter arrived from Auburn to join the squad under the command of Sergeant Frank Snyder.

Others in the local squad are T. F. Sheehan and Bud Meixner who are assigned to the Lake Tahoe area for the summer; William Gautsche, W. P. Worsham, Martin Sturcke, and E. W. McCallen.

Snyder announced this week that Priscilla Ann Irish has been appointed on the clerical staff at the office to replace Mrs. Dorothy Buehler.

DRIVE FOR RED CROSS FUND NEAR $800 MARK

Truckee Chapter, American Red Cross, will meet at 8 o'clock Tuesday, June 4 in the high school when a report will be made of the fund drive which ends June 3. George Kaspian, chairman, said that the amount was nearing the $800 mark on Wednesday. An open meeting discussion will be held to consider possible arrangements for a summer swim program.

CREWS HALT WORK ON ROAD FOR HOLIDAY

RENO—Motorists will be relieved of highway construction delays on U.S. Highways 40 and 50 in the Sierra during the Memorial Day weekend as road crews halt work for the holiday.

Construction was stopped at 6 p.m. Wednesday and will be resumed again at 6 a.m. Friday. Crews also will be off the job, as usual, on Sunday.

Great Books Group Will Adjourn For Summer

The Great Books Discussion Group has taken a summer vacation. There will be no more meetings until September 11 when Shakespeare's Hamlet will be discussed.

The Community Center library will be closed for two one-week intervals during the summer. The first is June 17-21 when the library will be cleaned and painted. The second is July 8-12 while the library personnel is on vacation.

Students and residents of the district are welcome to use the library as they have done in past years, Roy Baker, librarian, said.

Thousands of visitors to the Jamestown Festival will visit Fort Monroe this year.

FACTORY EARNINGS REACH HIGH RECORD

Gross weekly earnings of California factory workers averaged $92.90 in March, down slightly from February, Ernest B. Webb, director of the California Departmeent of Industrial Relation, announced today. The March average is 6.9 percent higher than the year-ago figure of $86.93 per week.

When adjusted to reflect actual take-home pay, the increase from March 1956 was close to 6 percent. For the factory worker with three dependents, the weekly pay check after tax deducations was $82.96 in March 1957 as against $78.31 in March 1956.

It is estimated on the basis of the average of the consumer price indexes for Los Angeles and San Francisco, as compiled by the U.S. Bureau of Labor Statistics, that the cost of living in California rose about 4.1 percent during the year.

A large part of last year's rise in gross weekly earnings was thus offset by the increase in living costs.

The purchasing power of the average take-home pay for a worker with three dependents was about 1.7 percent higher than in March a year ago, but was lower than in most months since July 1956.

Hourly earnings remained at the record level of $2.30 eestablished in February and were up 13 cents above March 1956. Average factory working time dropped to 40.4 hours per week from 40.6 in February, but was greater than the year-ago average of 40.1 hours per week.

3702 CHEST X-RAYS CONDUCTED IN AREA

The Placer County Tuberculosis and Health Association have completed a chest x-ray survey of the county high schools and college, the Gladding McBean Pottery in Lincoln and the community at Colfax.

A total of 3702 free chest x-rays were given. Many students, teachers and other school personnel, as well as many people in the community, took advantage of this free service.

1367 x-rays were taken in Auburn.
988 in Roseville.
801 in Lincoln (364 at the Pottery).
206 in Colfax.
340 at Truckee (Tahoe-Truckee Unified School).

The mobile unit will be stationed in Tahoe City on Thursday, June 13 from 10 a.m. to noon and from 3:30 p.m. to 7:30 p.m., and in Kings Beach on Friday, June 14, from 10 a.m. to 1 p.m. and from 2:30 p.m. to 5:30 p.m.

This program is also sponsored by the Placer County Tuberculosis and Health Association and is made possible through the sale of Christmas Seals. The volunteers assisting were from the high school PTAs.

CAMPING LIMITS ON PARKS ESTABLISHED

Announcement was made this week by Newton B. Drury, chief of the division of beaches and parks, that camping limits of 10 days would be imposed in some of the more popular parks of the state effective June 1 and continuing through September 15.

These restrictions will apply to the D. L. Bliss State Park at Emerald Bay, the Donner Memorial State Park at Truckee and the Tahoe State Park at Tahoe City.

Due to the increasing numbers of visitors to state parks, this action was taken to incur even distribution of use of facilities so that more people can take advantage of the parks, Drury said.

GARY PESCHEL WILL WED AT SACRAMENTO

A ceremony to be performed Sunday June 9 in the Fremont Presbyterian Church at Sacramento will unite in marriage Miss Constance Carlson and Gary Peschel, both of the capital city.

The June bride is the daughter of Mr. and Mrs. George Carlson and the future benedict is known here where he was employed for a year at the Sierra Sun.

Immediately following the ceremony, a reception will be held in the social hall of the church.

SPEAKER IS NAMED FOR COLLEGE FETE

Dr. Herman A. Spindt, director of admissions for the seven campus University of California, will be the commencement speaker on June 6 when Sierra College holds its final exercises as a junior college maintained by the Placer Union High School District.

Sierra will become a junior college district on July 1, with all Placer County and portions of Nevada, Sacramento and El Dorado counties included.

Dr. Spindt's acceptance of the invitation to deliver the commencement address on the college lawns at 7:30 p.m. on June 6 was announced this week by Harold M. Weaver, president of Sierra College, who will become superintendent and president on July 1.

NEWS NOTES FROM TAHOE

By Naomi McLane
(Tahoe City, Box 711. Ph. 246-J)

Schools To Close

School is practically out and the teachers are as happy as the kids. Tahoe Lake will have a fine celebration on both Wenesday and Thursday. The upper grades under Teachers Lilian Farr and Helen Rauscher will have a hot dog picnic and swimming party at Bliss Park on Wednesday. Mrs. Naomi Horvath and Mrs. Doris Clark are in charge of arrangements for the picnic and have secured a number of mothers, one for every seven children, to go along to help watch the swimmers. On Thursday the kindergartners and first graders with their teacher, Geri Bean, and the first and seconders with Solveig Beavers, will have their picnic. Whether at the Commons or up in the hills has not yet been decided.

Summer Residents

The early spring is bringing out many summer residents. In Tahoma the Bob Campbells have already for the summer, and Jim is busy at his cabins, Poulter's are opening their lodge, Mac McLean is getting Arbutus Boy's Camp raedy for the summer, and Jim Anstead has opened his place. Syl and Grace Sartor and the children will be up in a week or two. Harry Eccles has brought up a trailer from Santa Cruz and is dewinterizing his partments across from the Bob Wrays. Forest Hall spent a week there from Yuba City. His wife, Sue, will return with him to stay as soon as her school closes.

P.T.A. Meets

The Parent Teacher's Association met for the last meeting Thursday night at which time officers for next year were installed by C. W. Vernon. President Mabel Neilsen turned the gavel over to incoming President Carolyn Henrikson. Other officers are: Chick McBride, vice president; Helen Hewitt, secretary; Betty Jorgensen, treasurer; Eunice Henrikson, historian; Mabel Neilsen, parliamentarian; Tessie Anderson and Naomi McLane, auditors. As a last bit of busines sit was decided to start a set of dishes and silverware for the P.T.A. A committee consisting of Chick McBride and Betty Jorgensen was appointed to look into available stock and to buy if they found what is wanted.

Hold Tea

The old and new officers of the P.T.A. held a tea at the Community Hall Tuesday to thank and honor the teachers of Tahoe Lake School and to meet all the mothers, both old and new, who cared to come. Baby care was provided at the nursery school by Mrs. Cliff Anderson. Beside the four teacher honorees, Mrs. Charlotte Patnoude, school and district nurse, and Mrs. Pat Butterfield were asked to be guests of honor.

Birthday Party

Tommy Gregg, son of Mr. and Mrs. Jack Gregg, was host to several school friends Saturday afternoon to celebrate his seventh birthday. Among his guests were Chris Beavers, George Speeter, Erie Larsen, John Spitsen, Jimmy Henry, Tommy Carnell, Bro Shontz, Mike Dempsey, Breezie Cross, and Mike Burmer. Chris Beavers won a prize for accurate donkey tail pinning and Mike Dempsey found more marbles than anyone else in the marble hunt. Jack and Beverly Gregg served the children the traditional cake and ice cream.

Dinner Party

Jimmie Henry celebrated his seventh birthday also this week with a dinner party at the home of his parents, Dr. and Mrs. William F. Henry. Helping him enjoy his birthday were Tommy Gregg, Bro Shontz, Johnny Spitsen, Johnny and Tommy Carnell, Breezie Cross and Marty Spitsen. Miss Carolyn Henry helped her mother in preparation for the party and with games for the boys.

Luncheon Planned

The nursery school mothers are holding a joint luncheon party with the mothers of Truckee Nursery School at the Trade Winds in Kings Beach to honor their hard working director, Elaine Wright. This luncheon will be Saturday, June 1 at one o'clock. Officers for the coming nursery school year were elected last Wednesday night. They are: Chairman, Pat Cross; vice chairman, Betty Jorgensen; recording secretary, Phyllis Frieland; corresponding secretary, Eunice Henrikson; treasurer, Betty Baxter; building chairman, Audrey Brehler.

Sunday At Lake

Dr. John Jahn and his wife, Anna, from Berkeley, spent Sunday here after a weekend in the bright lights at Reno. The Jahns come up to Squaw Valley frequently for the winter skiing.

In Vallejo

Mrs. James Martin left Saturday for a few day's visit in Vallejo.

Fashion Show

Mrs. Jay Shontz of the Women's Club would like it to be announced that any one interested, whether a member of the club or not, is most welcome to the fashion show to be held at the Crytsal Bay Club Thursday, June 6. Members of the club will model clothing for all occasions from Porter's Apparel Shop. Luncheon will begin at 12:30 and will cost $1.25. Reservations must be phoned in to Mrs. Don Snyder or directly to the Crystal Bay Club before June 5.

In Hospital

Jack Dunne has spent most of last week in the hospital. Pneumonia struck him without very much warning. He returned home this week.

Has Pneumonia

Little Howard Lawrence Carnell was also hospitalized with pneumonia. His mother, Myrtle, spent the several days of his stay there with him.

Enters Hospital

Leatrice Burmer entered Tahoe Forest Hospital yesterday for long planned major surgery. Her husband, Chris, and the boys will look after themselves until she is home again.

Wrecks Car

Bob Sach narrowly escaped serious injury when he fell asleep while driving late Saturday night. He had flown from his air base in Washington, D.C., to be here in time to attend the Jr.-Sr. prom at the Biltmore. We are glad his damages are no more extensive. That sheared off pole in front of Donaldson's restaurant looks awfully gone.

Open Restaurant

Mr. and Mrs. Norm Myhill from Oakland are opening up the Tahoma restaurant this May 30 for daily meals for the season. The newly renovated kitchen and dining room and fountain are beautifully done in Phillipine mahogany and yellow tile-like marlite. The new owners and managers are looking forward to their first summer here.

Tahoe Items

Barbara Mallory wrote from Monterey Park that their summer address is now Kings Beach.

Other familiar faces seen are Mr. and Mrs. M. Petz of Sun and Sand Lodge coming from Westley to open for the season and the Charles F. White, Jr., family here once more from Palm Desert.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Lions

Tuesday night of last week was a big night for the Lake Tahoe Lions Club at the Crystal Bay Club when a large number of Lions attended the ladies' night. They were from Reno, the South Shore, and Truckee. Hal Brown was on hand, speaking highly of Earl Stice, zone chairman, for his splendid work in that office. Marshall Gordon presented a gift to Earl as a tribute from the district-governor. And then on Wednesday members of the Truckee Club held their weekly meeting at Crystal Bay. It was a very special meeting and some important items were discussed. John Corbin gave a report on the school district bonds, while Earl Stice reported on the meeting of the night before. Visitors included Cliff Lightner, accompanied by myself, Jack Neugebauer and R. Mapes of Truckee. Roy Water presided.

Scouts

Following along with the Scouts Tuesday meeting of the Tahoe Lions a very interesting ceremony took place when a popular Boy Scout, Brad Thompson, son of Skeet and Mrs. Thompson, received a ring in recognition of his exceptional work in that wonderful organization. Lion Walt Mandeville made the presentation. Brad gave a graceful thank you for the gift in a few well chosen words.

Stop

It looks as though business is going to be good. Boulevard stop signs have been placed on the side streets approaching the highway in the area.

Wedding Bells

Now I hear that our friend, Dave Crow of the Tahoe Biltmore Hotel was married to Patricia Mahoney last Saturday in the bay area. They will honeymoon in the east, before returning to Crystal Bay. We wish the couple a very happy married life.

Recuperating

Enola De Gregorio is recuperating fast from a tonsilectomy. Enola was in the Saint Marys Hospital in Reno for a few days. She is now back at the organ at the Tahoe Biltmore, but will not sing for a week or so.

Visiting

Never did see such excitement as there is in the Cliff Lightner family. The occasion is that Edna's sister, Mrs. Adeline Jackson, has arrived from San Mateo where she was with the Mademoinselles. We understand she intends to stay with the Lightners all summer. We feel she will not want to leave by that time.

Chicken

Cliff Lightner is still doing a wonderful job putting out the chicken dinners every Sunday at the Crystal Bay Club. Where all of the chicken comes from I'll never know.

New Homes

Two of the nicest homes being built are those of H. E. McCoskey and Ray Plunkett at Incline Beach. Both of these will be ready for occupancy in about three weeks. What a beautiful view it is from the porch of each home.

And More Homes

Stuart Brisbin, building contractor from Corona Del Mar, is building a model home at Carnelian Bay. It will soon be ready for inspection. Wyman Williams is also starting a home just east of the Brockway Hotel.

Cal-Neva

We had the pleasure of meeting Mr. Doyle, the new manager of the Cal-Neva Hotel. Our friend, Wingey Grober, is already here and supervising the big job of getting the hotel ready for opening on about June 13th with the first big show on June 27th.

Just Arrived

Larry and Darlene Patton have arrived from Palm Springs where they put in the winter. Larry was at the Chi-Chi. Darlene was at Don the Beachcomers. Larry will be at the Crystal Bay Club this season.

Stan Martin, formerly with the Sierra Power Company at Tahoe City, was a visitor over the weekend and Mrs. Martin was also with Stan. They are presently living at Lovelock.

Clean Up Days

According to Marguerite Ashton, Saturday and Sunday, June 1st and 2nd of this week has been designated as Clean Up Days by the Businessmen's Club of North Tahoe. You are requested to get rid of all unsightly articles and trash from both back and front of homes and stores there will be trucks to haul it away. So gather it up, put it in a convenient place to be picked up—but no pine cones or brush—take that to the dump or get a permit to burn same. Keep our community clean and tidy.

To The Great Beyond

It is with great sorrow that we hear of the passing of our old friend and former resident, Jack C. Braden. Jack lived with his wife, Ila, at the Edgelake Beach Resort in Kings Beach before moving to Sacramento. Jack had been very ill for the past couple of years. Funeral services were held last Tuesday in Sacramento with friends from the lake attending. We sympathize with Ila and others of his family, whom he left behind.

Back For The Summer

Of all people to visit us was none other than Joby Lewis, one of the most community-minded persons to come to our side of the lake. Joby and Helen have been to many places since leaving the Monte Carlo Lodge. We are glad to hear that they will probably live here all summer.

Trap Shoot

Don't forget to prepare for the shoot to be held at the Lake Tahoe Gun Club, under the management of the Crystal Bay Club, on June 21, 22 and 23. There will be more news of this later. You can make a three-day vacation of it.

Sale Success

Mrs. Judy is so appreciative of the way that friends helped out at the food sale that was held at the Stop 'n Shop last Saturday. It was one of the most successful ever held by the ladies of the church. Thanks a million.

Buy Motel

Mr. and Mrs. E. E. Cabral who hail from Merced have purchased Hills Fawn Motel, and a little later on Mr. and Mrs. Hill will leave for the East and then come back to Sacramento. W. C. Rerjomin and Andrew Giordona have sold the Brockway Bakery to C. E. Wainscoat of San Francisco and opened on May 29. Visiting also from Sacramento are Mr. and Mrs. James Jackson, sister of Mrs. Jay Hill.

Watch Show

We had a very pleasant time at the Tahoe Biltmore Hotel last Saturday night, watching a regular fashion show, the occasion being the prom held by this year's graduates. The hosts were the juniors and the evening started off with dancing to a good live orchestra and then followed a wonderful chicken dinner and then more dancing, and then a regular parade of stars with beautiful dresses and their prince charmings.

ANNIVERSARY OF WOMEN'S CLUB AT TAHOE OBSERVED

TAHOE CITY — The Women's Club of Tahoe honored 16 charter members and commemorated their thirtieth anniversary at a tea at the home of Mrs. Norman Mayfield Thursday afternoon, May 23. A gold and white scroll made by Mrs. Ken Marvin named the 16 living first members of the club. The names there, many denoting old pioneer families of the lake area, are: Evelyn Bliss, Ruth Mayfield, Marie Henry, Stella Watson, Jeanette Watson, Theil Green, Ida Simmonds, Ann Anderson, Northrup Pomin, Harriet Valentine, Phoebe Darlin, Nina Rogers, Alice Gebhardt, Muriel Sudduth, Nora Hevel and Ethel Vernon. Seven of the 16 above were able to attend the tea and were given thirtieth anniversary gifts of strings of pearls. Those unable to attend will be sent their pearls. As a part of the program of the afternoon, President Mrs. Don Snyder presented the first book of minutes to Mrs. Stella Watson, first secretary, who read the minutes of the first meeting which was held May 5, 1927. The first business of the new club was to send money to the Red Cross for the relief of flood victims in the Mississippi Valley.

The beautifully appointed table and flower decorations in white and gold were planned and carried out by a committee consisting of Mesdames Steve Korich, Martin Spitsen, James Martin, Norman Mayfield and Don Snyder. The reception committee was composed of Mrs. Jay Shontz, Mrs. Enrico Giannini, Mrs. Malcom Fox, Mrs. Richard Clark, Mrs. Norman Mayfield and Mrs. Don Snyder. Lovely background music of old songs and waltzes was played by Mrs. Ivan Wilson. Silver service for the table was lent by Mrs. Bill Bechdolt and Mrs. Norman Mayfield.

A delightful part of the afternoon was the moment when Mrs. Ernest Pomin, a charter member, received her pearls from Mrs. Don Snyder. She demanded and received a kiss which it is hoped is recorded on film.

I don't know whether the books say 30 years or 25 make up a generation. Either way the Women's Club of Tahoe is on its way to a second generation of good wroks and good memories.

The Institute of Forest Genetics near Placerville has one of the finest collection of pines in the world.

The line of the Minutemen

"Stand your ground.
Don't fire unless fired upon.
But if they mean to have a war,
let it begin here."
Captain Parker

On Lexington Green, 182 years ago this month, the first shot of the Revolution was fired. And the men who stood against the organized army of the Redcoats became immortal in American history as the Minutemen.

For they were the core of the army which gave birth to a nation—a civilian army in which every man fought first for the security of his home and family and thus tapped incredible reserves of strength and fortitude.

The Minuteman was chosen as the symbol of the Savings Bond program of the U. S. Government because he represents the strength that is America—the security of each individual American family.

And it is this strength of 170,000,000 Americans which is behind every Savings Bond you buy. Your Government guarantees the principal of your Bonds *safe*—up to any amount—guarantees *sure* the rate of interest you receive.

What more fitting way to honor the Minuteman of the Revolution than to build your family's security on the security of America—as he did? You do that when you save regularly with U. S. Savings Bonds. Start today either through the Payroll Savings Plan at work or by buying a Bond a month where you bank.

Safe as America . . . U. S. Savings Bonds

The U. S. Government does not pay for this advertisement. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

Timely tips on civil defense from Mrs. Marie F. Henry, Tahoe City (Mrs. Henry is Civ. Def. chairman for the Women's Club of Tahoe, and director of publicity for the next two years of California G.O.C.).

None of us know when disaster may strike, nor whether it will be bombing, fallout, fire, flood or earthquake. But do you know that YOU are the most important person? and how are you going to react in the face of it? There are people who may become stunned, and not aware of what is going on. Some become overly active and feel they have all kinds of power. To give them something to do is very helpful. Others have heart conditions, and sickness, and sometimes paralyze from fright. Assess your own reactions, study yourself and decide what to do.

* * *

The above paragraph is an introduction to the weekly suggestion from Mrs. Henry, to acquaint the Sierra Sun's readers with civil defense emergency measures should disaster ever visit our fair areas. Read, and remember them, as they may prove invaluable in time of need.

* * *

It's Sunday again as I write this and a sunny, balmy day. Looks as though summer is arriving at long last. Butterflies of every color light on the grape hyacinth and daffodil, fat robins laze across the new green lawn and out on the lake the throbbing of outboards can once again be heard. And motor traffic along the highway has tripled. Here's hoping winter has taken flight in earnest.

* * *

TAHOE BRIEFS

May we add our good wishes and Godspeed to Father Leo McAllister of Truckee Catholic Church who leaves around June 2nd for Ireland to enjoy a well-earned three months vacation?

It was announced on Sunday last that starting June 2nd mass would be held during the month of June at Tahoe City at 8 and 11 a.m. and at Kings Beach at 11:30 a.m. Regular summer schedule starts here on July 1st.

Mr. and Mrs. Richard Lee of at the home of their son-in-law and Lincoln visited over the weekend daughter, Mr. and Mrs. Jack Starratt in Tahoe City.

Mr. and Mrs. N. S. Noll of southern California are now in at their Carnelian Bay summer home.

Mrs. Fred Manley, widow of the Tahoe Park realtor, has arrived from Los Angeles to spend the season here.

Frank Daft of Pineland, a patient at Tahoe Forest Hospital again with pneumonia, on Sunday was reported somewhat improved. This is his third trip to the hospital with pneumonia, this being his second siege this year. His many friends are wishing him a speedy return to good health.

Jim Baker of Fairway Drive motored to Merced on Friday last, returning to Tahoe on Sunday with wife Betty and their three children, Yvonne, Richard and new baby Pamela.

* * *

Mrs. Marie Henry, post supervisor of Tahoe City's G.O.C. Spotting Post, and husband, Joe, who is chief observer, returned on Tuesday of last week from a most interesting and entertaining three days, May 16, 17 and 18 spent at the California Post Supervisors and Chief Observers Training Conference held at the Casa Munras Hotel in Monterey. Maj. Paul Gaughenbaugh, G.O.C. co-ordinator for the state, was master of ceremonies at the three-day meet.

Elections found Mrs. Margaret Heldt of Pacific Grove re-elected to the post of chairman for the second term, with Mrs. Marie Henry named director of publicity for a two-year term.

* * *

The A. M. Henrys stopped at Redwood City enroute home to visit with former Tahoeites Hans Hansen and Canton Iverson who still keep in touch with the lake through the Sun's columns. They found them well, and Hans busily engaged in painting pictures for the market, his favorite pastime. They sent their best regards to their many old friends in the Tahoe-Truckee region.

* * *

The many old friends of the Otis Hurseys of Fallon, Nev., former caretakers for many years at the Henry Kaiser estate in Tahoe Pines, will be happy to learn that their son, Roger, was married some time ago and has a son, Michael, seven months old. He and his wife visited the lake on Saturday renewing old acquaintances.

* * *

Mr. and Mrs. Carl Wheat are the new managers of Bill Cooke's Holiday Park Trailer Court near Tahoe City. Mr. Wheat has recovered from the serious illness he suffered in Auburn last winter, his many local friends will be glad to know.

* * *

Mr. and Mrs. Al Brune and daughter, Julie, have arrived from San Francisco at Tahoe Tavern, where he will be resident-manager again this season. Fred Ichelson, manager, announces June 14th is opening date, with 14 conventions, a record for the tavern's present management, scheduled for June.

Tahoe-Truckee School District News

KINGS BEACH SCHOOL

Kindergarten and First Grade: A grocery store has started in our classroom. Stevie Mandeville, Sandra Martin and Stanley Mason began the construction of the store, but since it has been expanded and remodeled several times.

Alice May Birch, Georgie Burris, Kathy Critchley, Nat Palmer, and Janice Wing brought empty cartons, etc., to stock the store.

Play money was made by Bobby Brandt, Mike Cook, Shari Decker, Ann Felte, Jeff Gruendeman, Randy Hiatt and Jeff Malley.

Paper mache fruits and vegetables have been made by Bobby Brandt, Alice May Birch, Mike Cook, Jeff Malley, Donna Martin Greg Pope.

Signs made by Madelyn Mullis, Stan Mason and Stevie Mandeville were posted by Randy Hiatt.

Sharon Brooks celebrated her sixth birthday at school last Wednesday. Sharon's mother, Mrs. Bev Brooks, served birthday cake and ice cream.

Gary Martin, who will be in the kindergarten next year, visited on Wednesday.

Second and Third Grades: Mrs. Pat Butterfield was the substitute teacher in our classroom while Mrs. Wing accompanied the high school biology class to Dillon Beach, Friday.

Rondi Thorwaldsen brought a tablet of blueprint paper to share with her class.

Kathy Murray and Cathy Chastain each brought a bouquet of daffodils for our room.

Susan Clackett and Cathy Rockholm sang two songs to the class.

Bruce Templeton shared his old English coin that his grandfather sent to him.

This week we gained two third grade pupils. They are Ronnie Bommerito and Judy Robert.

Third and Fourth Grades: This week we are working on our Vacation Unit.

Terry Boatman and Donnie Decker have each caught nice trout out of the lake this week.

Jill Robert and her family have returned again to Kings Beach.

We are hoping to learn some summer safety rules.

TRUCKEE ELEMENTARY

Kindergarten: Our class has welcomed three new members recently. Jeffery Jellin came to us from Lakeview, Ore. Richard Hall was a transfer from Santa Cruz and Lorene McCarroll came to us from Oakland.

First Grade: In a series of vocabulary tests those with the highest scores were Bill Cardinal, Phillip Risden, Diane Daly, Chris Kumle, Bill Rose, Jennifer O'Bear, Henry Frates, Victor Rice and Judy Ingalls.

First Grade: Eddie McCarroll has been absent all week.

We are making rhythm band instruments in our room. Karin Meixner, Barry Waters, Linda Russell, Randee Reese and Elgin Johnston are making drums.

John McGlade and Dickie Daniels advanced one reading group this week.

Second Grade: We have been mixing primary colors to make secondary colors. Those having their papers displayed on the bulletin board are Len Vind, Donny Whiteneck, Gail Englehart, Timmy McLane and Gary Waters.

We are sorry that Frances Barrett and Rhonda Manley are sick with chickenpox.

Third Grade: Our study of southwest Indians is being culminated by written papers and pictures. Interesting papers have been handed in by Joyce Randall, Charles Trainor, Candy Hamilton and Betty Saarni. Outstanding pictures showing villages of the Hope, Navajo, Piute and California Indians were made by Gilbert Hernandez, Mark Moore, Walter Dallas, Larry Digesti, Dennis Richards and Robyn Reese.

We're happy to welcome Paula Harper to our third grade from Sparks. But we're sorry to have to say good-bye to Clydene, and our room mother, Mrs. C. E. Strickler, who will be moving to southern California soon.

Fourth Grade: The fourth grade girls' basketball team, M. Leamon, J. McGwinn, L. Banyard, W. Mosby and E. King, certainly taught the boys' team, G. Jensen, M. Harris, G. York, D. Thomas and T. Bedrosian, a few tricks in basketball.

Two of the strongest boys, Danny Carcia and Ramsay Mitchell, were appointed as keepers of peace and order.

Outstanding arithmetic papers were done by Denny Stumbaugh and David Sorani. Some very fine fine reports on National Parks were given by Linda Banyard and Judy McGwinn.

Mike Ingalls, David Fordham, Greg York and Danny Garcia provided the class with interesting moments during the week.

Working on the lunch program were L. Banyard, J. Roth and Garry Jensen.

Fifth Grade: Those making a perfect score in spelling were: Robert Frates, Bruce Strickler, Evelyn Hintz, Diane Cardinal, Lynn Quartly, Bonnie Fair, Richard Saroni, Susanna Sciutto, Steve Besio, Leilani Braasch, Daryl Androus, Karey Kielhofer, Zeke Romo and Leonard Hensley.

Sixth Grade: Last week our class had a cookie sale which was sponsored by the P.T.A. The proceeds from the sale will go toward our graduation party in June.

Sheryl Swauger is preparing a special report about the prime minister of Canada.

TAHOE LAKE SCHOOL

Kindergarten and First Grade: The following students in the first grade made 100 on spelling papers this week: Bro Shontz, Ruth Ann Dunn, Tad Hall, Eric Larsen, Dianne McBride. The best printing papers this week were done by Breezie Cross, Ruth Ann Dunn, George Speeter, Ricky Riggs, Roddy Farley, Ernie Marier, Dianne McBride, Tabor Griswold, Denise Henrikson, Tommy Carnell and Connie Day.

First and Second Grades: We have been evaluating our behavior in our room this week to see if we are ready to go on to a higher grade.

Fifth and Sixth Grades: The fifth and sixth graders wish to thank Mrs. Paul Horvath and Mrs. Richard Clarke for helping us plan our class picnic. The outing will take place on June 3 at Bliss Park.

We all miss Sandy Fellows and wish her a speedy recovery.

ILLEGAL HUNTER IS FINED IN RENO COURT

RENO—John P. Seagrave of Lake Tahoe was fined a total of $300 in Reno justice court after he pleaded guilty to three game law violations.

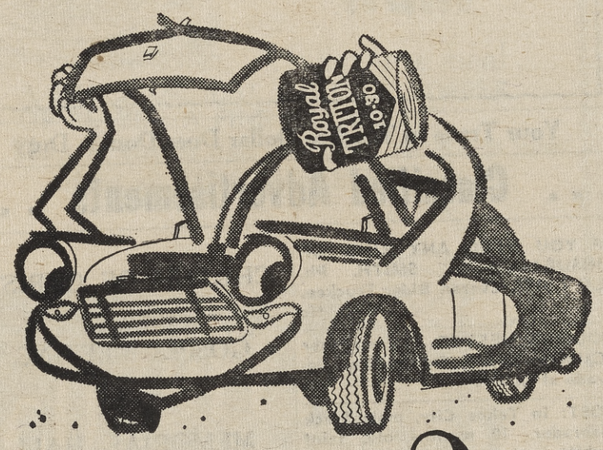

Seagrave pleaded guilty to two charges making false statements to obtain resident hunting licenses and to one of obtaining an excessive number of deer tags.

One of his two resident licenses was obtained under his actual name and the other under the name of Phil Seagraves.

The complaints were filed with Justice of the Peace William R. Beemer on April 22 by William Rollins of the Nevada Fish and Game Commission.

LAKE LEVEL

TAHOE CITY—With all gates closed, the level of Lake Tahoe Monday stood at 6228.72 feet. Warmer weather has predominated during the past week, with a high of 70 Sunday and a low of 32 on Saturday. No precipitation has been recorded since last Thursday when .33 of an inch of rain fell.

How police dragnets go into action

You've probably seen police detectives launch many a case on television or in the movies with an All Points Bulletin. But did you realize you were watching your telephone system swing into action at the same time? The Teletype networks that carry police "APBs" are put in and maintained by telephone people. These nets link hundreds of real-life law enforcement agencies on the Coast. They're used to exchange facts on police cases. News services, air lines, and many others use similar hook-ups. Teletype networks are one of the services we offer as part of our communications job.

Mobile telephones are another service we offer. They have lots of uses in cars, taxis, trucks. We also supply private-line phone systems, used by many government agencies and businesses to link offices and plants. Special services like these provide communications of many kinds that are vital to your everyday life.

Working together to serve you better ...

STRICTLY STRICKLAND

By Bill Strickland

Donner Summit Post, No. 811 of the American Legion, held its regular meeting this past week at Col. Bill Rutherford's home at Soda Springs. New officers were nominated to guide the Legion's activities for the coming year. Those nominated were:

Carl Widing, commander; Bert Barber, first vice commander; Bill Strickland, second vice commander; Bill Rutherford, adjutant; Chuck Reynolds, finance officer; Elmo Moriano, service officer; Captain Mills, chaplain; Neils Grant, historian; Milt Hogle, Jr., past commander.

The installation ceremony which has always been a big event on the mountain will either be held at Beacon Hill Lodge or at Commander Widing's place at Dutch Flat. The latter location seems to have the inside track at this time.

* * *

Practically all of the parents on the Mountain Top sallied forth to the Donner Trail Elementary School last week to see the re-enactment of "The Shooting of Dan McGrew" along with a Gay Nineties review. I guess you know our grammar school youngsters are pretty good actors, and all turned in very commendable performances under the direction of Bob Bailey and Jeanne Kessey. I'll bet Mr. Robert Service never anticipated his poem would be acted out by youngsters at the time he wrote it.

* * *

The continuous oil truck line is well on it's way to completion. It will really be a marvel of liquid transport. From its starting point in Richmond to its Fallon, Nev., terminal, it will carry anything in the liquid line that is necessary—the in-between cargo will be salt water—there are many pumping stations being installed all along the line to help propel this very necessary cargo over our 7100-ft. hill.

* * *

Saw Jack Gross and Fred Marcott the other day. Jack says the heavy work is justabout finished on his house on Donner Lake. He and Ruth plan on doing all of the interior finish work themselves. I think that's half the fun of building a new house. But if any mistakes are made you can't blame the architect or contractor. We got to talking about some fishing holes back in the American River canyon country. Fred knew where most of them were. He should though, after all the years he's logged this country. I don't imagine there is much of that he hasn't been over. I do know these two fellows never come back empty-handed when they go fishing, so if you want the word on where to go, ask them. They probably won't divulge their fishing holes, but ask 'em anyway.

* * *

The Donner Summit Public Utility District held it's regular meeting last week at Crest Lodge. The turn-out was exceptionally large which indicates the interest of subscribers in the area. In fact I heard one fellow say his property had been appraised at $15,000 with water—$1500 without With the development of highway 40 as a recreational area, water has certainly become a major issue. There are quite a few thousands of gallons used every day, and much, much more during the busy ski season. Among our local residents attending the meeting were Charlie Secco and Furman Pratt, Max Williamson, Edvi Aro, Ray and Helen McCarty, Brad Board and Harry and Betty Beyer.

* * *

With the influx of construction and highway crews, I never realized until now, how few houses are available for rental purposes. I've heard of eight or 10 families looking for places to live during the summer, and for the life of me I couldn't think of any available places. Maybe some of the boys who started building last year for rental purposes were smarter than they we're given credit for.

LITTERBUGS WARNED BY HIGHWAY PATROL

SACRAMENTO — Keeping California's highways clear of litter is the legal responsibility of every mobile using the highways, says driver and passenger of every auto-

BIDS ARE ASKED ON MONTE VISTA ROAD

Bids are being asked by the division of highways for the construction of a 2.6 mile detour from MonteVista to Alta Road on Highway U. S. 40, District Engineer Alan S. Hart announced in Marysville today. The bids will be opened in Sacramento on June 12.

The detour is being constructed, Hart said, to enable the re-construction next year of Highway 40 to a four-lane freeway status in this area.

"By the use of this detour we will be able to proceed with the four-laning of Highway 40 through this section without the inconvenient delays to the traveling public," Hart said.

the California Highway Patrol.

"The law prohibits the throwing of cans, bottles, papers, garbage and other refuse on our highways," declared Partol Commissioner B. R. Caldwell. "The restriction action against litter-bugs makes it illegal to scatter trash anywhere along the rights of way of a public highway..

"The patrol is continuing positive action against violators of this law," Caldwell stated. "Our highways can be kept clean and more beautiful if motorists will exercise their responsibility by keeping the litter in their cars until it can be disposed of properly.

"A trash bag or other receptacle in the car will help.

THEY SLEPT HERE—Lincoln, Lafayette, and Generals Grant, McClellan and Butler are among the famed guests of Quarters No. 1 at Fort Monroe, Va., home of the Continental Army Command and scene of the landing of the Jamestown settlers in 1607. The building was completed in 1819, the year work began on the Old Fort. It is still in use as the assigned quarters of a general officer.

PEOPLE DOING MORE TELEPHONE TALKING

People in Truckee seem to be doing more and more of their talking on the telephone.

That's the way it look, according to word today from Pacific Telephone, by George Selkirk, local manager.

The company reported that an average of 4745 telephone calls are made here every day, some 1158 more calls than the daily average last year, and 4156 more than at the end of World War II.

The number of telephones here has been growing too. Last year, 50 new telephones were added in Truckee, bringing the total number here to 718.

To meet the ever expanding telephone needs here, Pacific Telephone has invested some $524,424 in telephone facilities here. Of that figure, $80,938 was spent during 1956.

Control Of Speed Needed To Prevent Accidents

SACRAMENTO — The proper use of speed is one of the best means of avoiding traffic accidents says the California Highway Patrol.

"An analysis of traffic accident statistics shows that speed too fast for conditions is the leading or a contributing factor in the majority of traffic accidents," declared Patrol Commissioner B. R. Caldwell.

Restrictions Placed On Fires In Forest Despite Unusual Rainy Weather

L, A. Rickel, supervisor of the Tahoe National Forest, has announced that burning restrictions in the forest went into effect on May 18 and will be enforced all during the summer and fall.

From May 18 through October 31, the following restrictions will prevail under regulations which:

Prohibits the building of campfires on national forest land within the Tahoe National Forest without first obtaining a permit. Permits are required whether the fire is in the open or in a trailer.

Except where they may conflict with more restrictive county ordinances, in which case the respective county ordinance shall be applicable, the following rules will govern smoking on national forest land:

(a) Smoking is prohibited while traveling on foot, cycle, or domestic animal, in grain, grass, stubble, brush, timber or other inflammable vegetative cover and in areas posted against smoking.

(b) Smoking is permitted as follows: (1) in improved campgrounds, or (2) inside vehicles on roads, or (3) at places of habitation, or (4) while stopped in a cleared or barren area at least three feet in diameter, provided however, that in all instances burning and glowing substances are completely extinguished before discarding.

Prohibits the discharge of fireworks on national forest land, or the placing or throwing of a burning cigarette, cigar, match, pipe heel, firecracker, or any ignited substance in any place where it may start a fire.

Prohibits the possession, or firing, or causing to be fired any tracer bullet or tracer charge onto or across such lands.

Rickel urges all forest users to be extremely careful with fire at all times.

"Frequently, drivers run stop signs, drive on the wrong side of the roadway, and violate auto or pedestrian right-of-way because they are driving at speeds which are too fast for the existing conditions.

Records indicate that 45 percent of all violations noted in fatal traffic accidents are for excessive speed. The need for the control of speed is obvious. Obedience to the posted and prima facie speed limits is always necessary, however many times speeds less than the prima facie or posted limits are necessary to avoid accident potentials," he concluded.

Kings Beach Boy Now Serving In Germany

GARMISCH, Germany (AHTNC) —Army Specialist Third Class Richard I. Astle, son of Mr. and Mrs. Ivan A. Astle, Kings Beach, Calif., recently spent a 3-day pass at the army's recreation center at Garmisch in Germany Bavarian Alps.

Specialist Astle is a mechanic in the 11th Airbone Division's 11th Aviation Company in Germany. He entered the army in May 1954 and completed basic training at Fort Chaffee, Ark.

The 26-year-old soldier is a 1949 graduate of Tahoe Branch Placer Union High School in Lake Tahoe.

Resident Engineer Will Take On Detour Work

Sam Cottrell has been assigned as resident engineer for the construction of a detour on Highway U.S. 40 from Hirschdale to near Floriston, District Engineer Alan S. Hart announced today. The detour will permit uninterrupted construction of a four-lane freeway in this area scheduled for construction next year.

Cottrell has been with the department of public works since 1944, at which time he joined the division of architecture. He later transferred to the bridge department of the division of highways and joined the District III force in 1953. He is a veteran of World War II.

The division of highways project field office is located in Floriston.

SIERRA SUN ADS PAY!

NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1957 to June 30, 1958 has been adopted by the Board of Fire Commissioners of the Truckee Fire District, said Budget being as follows:

Maintenance and Operation	$5118.00
Capital Outlay	3000.00
Wages	390.00
TOTAL	8508.00

Said budget is available at the office of Rex Thomas, Secretary, Truckee, Nevada County, California, for inspection by interested Tax Payers.

The Fire Commission of the Truckee Fire District will meet at the office of Rex Thomas, Truckee, Nevada County, California, at 10:00 A. M. on June 12, 1957 for the purpose of fixing final budget for the District. At that time and place any interested Taxpayer may appear and be heard in regard of the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

MEMBERSHIP MEET OF CHAMBER HELD

KINGS BEACH—At a membership meeting of the Lake Tahoe-Sierra Chamber of Commerce held May 24 at Crystal Bay, the by-laws were amended to allow affiliation with other associations and chambers of commerce whose major interest is at Lake Tahoe and whose objects are similar to those of the chamber.

Those organizations that do affiliate will be allowed to appoint advisory delegates to the governing board of the lake chamber and help govern with its elected officers.

The Lake Tahoe Sierra Chamber of Commerce has gone to press with a new map brochure and will soon be distributing 100,000 copies.

Activities over the past year were reported on to the membership and an appeal is sent out for all members to contact their neighbors and enlist their support.

The next membership meeting will be in the latter part of June and will be a joint meeting of Lake Tahoe Sierra, Sacramento, Truckee and Reno. Plan to attend this meeting and watch this paper for time, place and date. Reservations will be necessary and cards will be mailed.

Donner Dancers Join In Jubilee Held In Nevada

Five couples from the Donner Dancers joined the hundreds of dancers and spectators at the tenth annual Silver State Jubliee held last Sunday afternoon in Reno. Those making the trip from the local club were Darol and Marian McGihon, Lloyd and Virginia Everett, Wilber and Ava Glenn, Joe and Shirley Straub, and John and Claire Patterson.

Five more couples from the Tahoe Twirlers at Kings Beach also attended the Reno festival. They were Walt and Eva Lynn Pope, Marguerite and Dave Ashton, Gene and Frances Thompkins, Charles and Bette Rich, and John and Sophie Levra.

The Donner Dancers welcomed over a dozen guests to their dance last Friday evening and promptly put three of them to work calling. Goodi and Art Mori of Truckee visited this dance, as did Ted and Waive Bates of the Quincy Circle Squares. The Tahoe Twirlers sent a large group of guests: Eva Lynn, Greg and Martha Pope, the Levras, the Riches, the Thompkins, and the Levras. Ted Bats and the Levras were the guest callers.

FAMILY VISITS

Mr. and Mrs. Hugh Weinand had as recent guests their mothers, Mrs. Ed Weinand of San Bruno, Mrs. Mayme Holden of Stockton and Mr .and Mrs. Kent Weinand of Burlingame. Mrs. Weinand is recuperating since a recent auto accident.

NOTICE OF HEARING

TO GRANT A VARIANCE FROM RESIDENTIAL TO TEMPORARY COMMERCIAL IN TAHOE ESTATES UNIT NO. 1 SUBDIVISION.

Notice is hereby given by the Placer County Planning Commission that a public hearing will be held by said Planning Commission on June 14, 1957, at the courthouse, Auburn, California, in the supervisors' room at the hour of 11:00 A. M. to consider the application for variance to use residential Lots No. 1 and 2 in Tahoe Estates Unit No. 1 Subdivision, Lake Tahoe, for the location of a temporary real estate sales office for the purpose of selling lots within this Subdivision,

At said hearing all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

Dated: May 27, 1957.

HARRY STUBLEY,
Secretary, Placer County
Planning Commission
By Alethea Morrison,
Clerk of said Commission.

Obey Traffic Laws And Live, Patrol Suggests

SACRAMENTO—Obey the traffic rules if you want to drive safely over the Memorial Day holiday says the California Highway Patrol.

"Although obedience to traffic rules and regulations is vital to safety anytime in traffic, increased traffic on the first of our major summer holidays will demand full conformance to every rule," declared Patrol Commissioner B. R. Caldwell. "The patrol will be ready for the increased traffic to the limit of manpower and equipment.

"Every available man and piece of patrol equipment will be on the highways during the holiday period in an effort to control traffic and reduce the accident potentials," Caldwell stated. "Drivers can help most by driving with the flow of traffic, staying in the right hand lane except when passing or preparing to turn left, using proper and more mechanical signals when required, heeding all right-of-way rules, and staying within the safe speed limit in both posted and non-posted areas."

AWARDS GIVEN AT CUB SCOUT SESSION

Cub Scout Pack No. 7 held its meeting in the high school Tuesday evening.

The meeting started with a uniform inspection and Monte Straub and Bill Waters were winners and chosen as color guards to lead the flag salute. Various boys were presented denner and assistant denner badges.

Bill Waters and Gary Waters were presented with bobcat pins as new members. Monty Straub, Courtney Lewis, Skip Peterson and Charles Hintz were presented with wolf badge and Skip Peterson, and Mike Ingalls received bear badges and gold arrow points.

Dick Ingalls was presented with a gold arrow and Webelos badge. Jamie Hamilton received the silver arrow and Webelos badge. The Webelos badge is the highest honor awarded in cub scouting.

The boys gave skits, sang songs and presented posters that they had made on fire prevention and were given junior forest ranger cards.

Tarzan

by EDGAR RICE BURROUGHS

TARZAN ACCEPTED GOMEZ'S CHALLENGE TO A DUEL, THEN WALKED WITH HIS FRIENDS TO THE DESIGNATED SPOT.

ON THE DUELING FIELD, GOMEZ STATED HIS TERMS. "YOU WILL FIGHT WITH YOUR NATURAL WEAPONS — A BOW AND ARROW. I WILL USE A GUN! AGREED?"

"WE STAND AT THIRTY PACES, OUR WEAPONS ON THE GROUND. WE SEIZE THEM AND FIRE WHEN MY AIDE COUNTS THREE."

TENSION MOUNTED AS THE MEN TOOK THEIR STATIONS. "ONE!" SHOUTED THE TIMEKEEPER--

BUT SUDDENLY THE TREACHEROUS GOMEZ GRIPPED HIS REVOLVER AND FIRED, NOT WAITING FOR A FURTHER COUNT!

BUT TO BECOME RULER OF THIS ISLAND - ONLY ONE WARRIOR MUST SURVIVE!!

THIS IS ONE CASE, HONEY— WHERE THE BLOODY FIGHT ENDS UP IN A (CHUCKLE) DEAD HEAT!! YOUR MOVE, QUEENIE!

THE LAW IS WRITTEN SO—"IF BOTH SURVIVE THEN BOTH MUST SUFFER THE SUPREME PUNISHMENT—"

WHICH IS—AS IF I (CHOKE) DIDN'T KNOW--

DEATH!!

REMEMBER, SONNY, ONLY A LOUSE WOULD DESERT HIS (GASP) AGIN', OLD MAN!!

ANOTHER INCH AND YER A (SOB) ORPHAN!

YEAGGG!

BEIN' GIVEN THE CHOICE O' FACIN' THE WHOLE BLARSTED OCEAN WITH-OUT NO FOOD NOR WATER, OR THEM RILED-UP FEMALES...

I NATURALLY SELECTS THE OCEAN! PICK UP YER BEAT, SON!

YEARAGGG!!

THERE IS ONLY ONE THING MORE UNTRUSTWORTHY THAN A MAN—TWO MEN!!

WHEN YOU GETS WEARY, SON, JUST LAY DOWN YOUR PADDLE AND REST A WHILE! NO (YAWN) PERCENTAGE IN BOTH O' US GETTIN' TUCKERED (YAWN) OUT!!

GRARGHHHH!

CURLY KAYOE

by SAM LEFF-

I'VE GOT 24 HOURS TO MAKE UP MY MIND ABOUT DOUBLE-CROSSING CURLY TO SAVE UNCLE WILLY'S L-LIFE...

UNCLE WILLY... YOU'VE GOT TO LEAVE TOWN IMMEDIATELY!!

H-HE'S NOT HERE... THEY MUST HAVE H-HIM!

WHERE'S MY UNCLE?

DON'T WORRY, TOMMY— HE'LL BE SAFE AS LONG AS YOU BEHAVE!!

JUST TELL CURLY YER SICK AN' YA CAN'T GO ON WITH HIM...

THEN YA RECOMMEND OUR BOY, AFTER HE PUTS TH' SURPRISE K.O. ON CURLY HE'LL DEMAND A TITLE-SHOT!! IT'S AS EASY AS THAT!

AND WE WIND UP RICH!

I WARN YOU... IF ANY HARM COMES TO MY UNCLE— I'LL...

QUITCHERBELLYACHIN'!! IF THINGS WORK OUT— WE'LL EVEN CUT YA IN ON SOME OF TH' LOOT!

YOU CAN KEEP YOUR FILTHY MONEY... I'M ONLY INTERESTED IN UNCLE WILLY'S SAFETY!

MEET KNUCKS LARSIN... HE'S GONNA BE YOUR SUBSTITOOT... TAKE HIM T'MEET CURLY!

YER A SAP, TOMMY— YOU COULD HAVE TH' HONOR OF K.O.'ING TH' CHAMP.

SHUT UP AND LET'S GET OUT OF HERE... YOU'RE MAKING ME REALLY SICK!

UH.. CURLY— I'M NOT FEELING R-RIGHT. WILL YOU USE MY P-PAL, KNUCKS, FOR THE FINAL EXHIBITION BOUT... INSTEAD OF M-ME?

OKAY, TOMMY... I'M SURE KNUCKS KNOWS EXACTLY WHAT TO DO!
